

Legacy Planters

Hardwood is the number one choice for high quality, long life traditional planters. As geViews is both the designer and manufacturer of our wooden planters, we can supply standard styles from stock, or you can take advantage of our design-and-build service to create something bespoke to your exact needs. If you have existing wooden planters and need more, or are looking for planters with surround seating or matching benches, we can help.

Our primary timber is Iroko, a very hard-wearing and durable wood which does not require regular treatment with oil or varnish when used outdoors.

For town centres, we suggest the 1.5m Octagonal planter, which is elongated to fit neatly on a pavement, while giving extra space for a stunning plant display.
