Extra Large Grit Bin

Our 400 litre grit bin is built to resist whatever the elements throw at it. Due to its sloping lid it collects less rainwater and leaves. It is incredibly strong due to box sections around the lid, meaning it closes perfectly without distortion and will not topple over. It can be moved easily using the forklift runners.

We can make bespoke grit bins, moulded in the colour of your choice, with space for your logo or an advert.

Benefits:

- A robust hinge for long service life and protection of the grit or salt.
- Ideal for roadside storage, car parks and company premises.
- Space for your logo or brand.
- Solid body colour which will not discolour or deteriorate makes it resistant to scuffs and marks.
- The lid's moulded hasp makes it quick to secure with a padlock and resistant to corrosion.
